

ABOUT DJ JUSTJETT

JustJett is a high-energy EDM DJ based in Stillwater, OK, known for lighting up dance floors across Oklahoma and beyond with festival-ready sets that keep crowds moving all night. Inspired to step behind the decks after attending Bonnaroo, Jett has since grown into a staple of the regional dance music scene, performing in multiple states and appearing at events like Neon Prairie, Freak Show Day Fest, and as a regular at Tulsa's Lot 6.

Blending dance music, house, and high-impact EDM, JustJett delivers immersive performances tailored for packed clubs, major events, college crowds, and private parties—turning every show into a high-energy experience.
